06 Gemini — Jalisco, Mexico

What better place for a Gemini to travel to that can appease two different personalities and wants than Jalisco? Known for its culture and thriving city (second largest in Mexico), as well as its relaxing beaches, Jalisco is the birthplace of mariachi, tequila and Mexico’s onal sport (charrería). All can be experienced in Guadalajara – host to the International Mariachi Festival (largest gathering of mariachi in the world – including bands from Japan, Canada, Sweden and more), weekly charro competitions and a quick day trip to the town of uila and UNESCO World Heritage agave fields.
