## It's a Big Old Beautiful World

While the ongoing [COVID-19 crisis](#) continues to wreak havoc on [international travel](#) (with a few [notable exceptions](#)), it can't stop us from daydreaming about, planning for, and talking to our travel advisers about all the adventures we are going to experience the moment we're given the go-ahead. The following 50 are some of the most thrilling experiences the world has to offer, so here's to hoping you've got a few spaces open on your bucket list!

## Go Gorilla Trekking

Mountain gorillas are some of the world's most fascinating and endangered animals and sadly these gentle creatures face a perilous future. Trekking to see them in Uganda or Rwanda will give you a new appreciation for their plight and the awakenings that travel can offer.
