

Celebrate Pride in Central America & The Caribbean

Now that most of us are fully vaccinated, it is time to start traveling again and the perfect way to celebrate Pride Month is by taking a trip to an LGBTQ-friendly destination in Central America and the Caribbean. A more challenging decision is trying to find an LGBTQ-friendly property for your visit, so we have assembled a few hotels that will welcome you with open arms.

Marriott Puerto Vallarta Resort & Spa

During the end of May and early June, Puerto Vallarta host the most important LGBT Pride celebration in the region. For 5 days, the destinations offer different cultural and entertainment activities. For those travelers who are looking for a place where comfort, luxury and extraordinary is combined, Marriott Puerto Vallarta Resort & Spa, is where the charm and warmth of Mexico are captured in every corner. This resort is set along the curve of Banderas Bay on the Pacific Coast at the base of the majestic Sierra Madre Mountains. At this resort, the guests can learn more about the tequila tradition, which has its origin in Jalisco. The Marriott Puerto Vallarta Resort & Spa grows its blue agave plant and distills its tequila: Casamagna Tequila. So, whenever guests want to enjoy this spirit, they can do it in the Ceviche and Tequila Bar where they can pair amazing seafood dishes with different tequilas or they can also educate their palate, through tequila tastings with their tequila sommelier.
