

Corcovado Wilderness Lodge by SCP

**DRAKE BAY, OSA PENINSULA
BAHIA DRAKE, COSTA RICA**

Set above a palm-fringed beach surrounded by 189 acres of pristine rainforest within Corcovado National Park, this incredible remote retreat combines adventure and relaxation with a convenient, all-inclusive model.

Reachable by a boat ride through mangrove wetlands, the lodge is tucked away on the Osa Peninsula, the most biologically intense place on earth, and is surrounded by remote beaches, waterfalls, botanical gardens, and protected rainforest.
