Sea Cliff Zanzibar Conference fact sheet

Where Business Meets Bliss

Sea Cliff Resort & Spa, located in Zanzibar and just 25 minutes from the airport, is the ideal venue for conferences, board meetings and incentive groups.

Features include three meeting rooms that can host groups of 10 to 120 delegates in a variety of seating configurations. Built to international standards and is fully equipped with data projectors, roaming and desktop microphones, built-in speakers, portable screens, whiteboards, PA systems as well as a translation system. Free WIFI is available in all areas and an IT technician is on standby should assistance be required.

Our conference facilities also include a private Boma located away from the rest of the resort on the cliffs overlooking the ocean. Seating up to 200 guests, the Boma is the ideal venue for private dining and weddings.

| Boma | Length 14 m Width 24 m | 200 | 150 | 150 | 150 | 200 | -- |

Should there be a need for more exotic locations for meetings, breakaway rooms and dining, Sea Cliff Resort & Spa offers a multitude of options from barbeques on the beach to private cocktail parties on the Jetty.

Our international management team has a great deal of experience hosting events and conferences and are able to arrange all the logistics of your conference including airport transfers, private dinners, team-building exercises and excursions efficiently and professionally.

The Sea Cliff Resort & Spa is proud to have successfully hosted international conferences for such prestigious groups as John Hopkins University, Vodacom, Visa International, Garmin, Bank of Tanzania and The World Economic Forum.

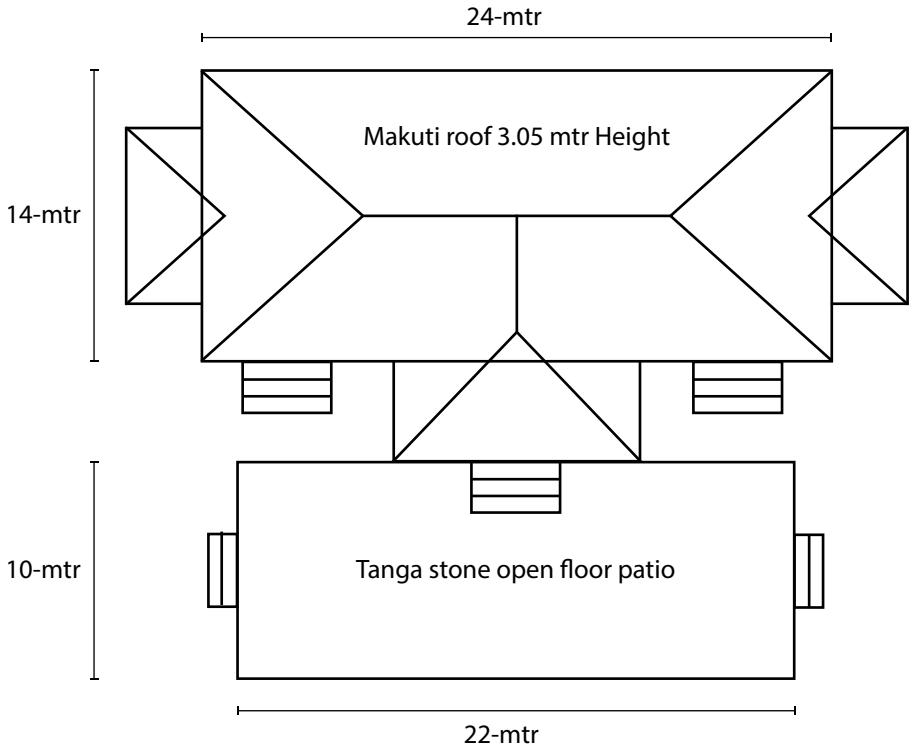

THE BOMA

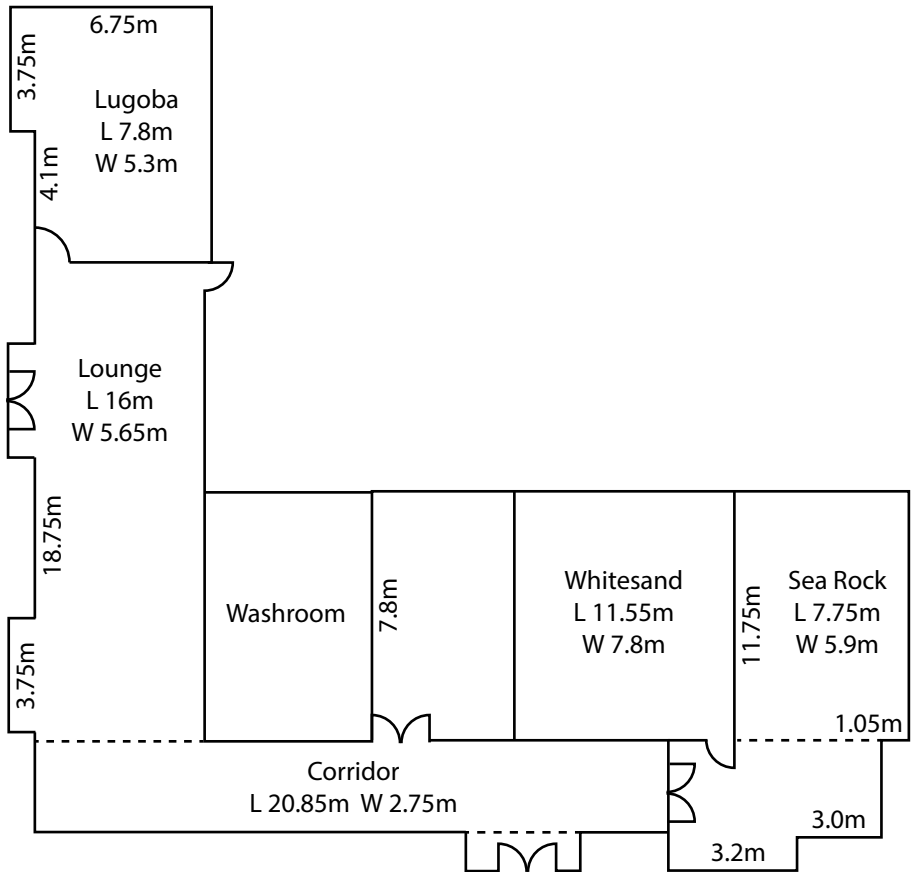

Our covered Boma accommodates 200 guests and features an open-air design for a refreshing breeze. The venue includes a 336m² indoor area plus a patio with stunning ocean views, perfect for cocktail receptions. Ideal for weddings, corporate events, and gala dinners in a private, scenic setting.
