believe in travel

Dear Travel Partners,

At Preferred Hotels & Resorts, everything we do begins with a simple yet powerful belief: *We Believe in Travel*. We believe in travel's power to spark connection, foster understanding, and shape a more compassionate world, especially for those who design journeys and for those who experience them.

Over the past year, I've had the privilege of traveling across continents, visiting exciting new destinations and returning to many of my favorite countries and properties that are like home. Each journey reaffirmed that belief. Travel awakens discovery, offers perspective, and reminds us that how and why we travel truly matters.

As we look ahead in 2026, we do so with optimism and momentum. We continue to invest in ideas that help deliver unforgettable experiences, whether you are designing journeys or experiencing them firsthand. One important investment this past year has been our Travel Advisor Portal, a dynamic platform built with advisor feedback to streamline planning and strengthen connections to our global portfolio, ensuring travelers benefit from more seamless, personalized stays.

We also recently released our Luxury Travel Report, created in partnership with The Harris Poll, which confirms a shift in traveler expectations: today's luxury is defined less by excess and more by meaning. Travelers are seeking curated experiences, cultural immersion, and hotels that reflect individuality and a true sense of place. Loyalty, in turn, is built on trust, personalization, and human connection.

These insights represent meaningful opportunities. Together, we can turn them into experiences that feel intentional, personal, and deeply rewarding.

Our *I Prefer* Hotel Rewards loyalty program continues to be about more than benefits; it's an invitation for travelers to feel known, valued, and connected wherever their travels take them. And your expertise and advocacy remain essential in bringing these journeys and benefits to life.

Thank you for being part of our global community. We invite you to continue sharing your stories using **#ThePreferredLife** and **#BelieveInTravel**.

With heartfelt appreciation,

Lindsey Ueberroth
